https://github.com/mohamedsabrie

I am a Front End developer with +1 year of industry experience building websites and web apps. I specialize in JavaScript and have professional experience working with React.js, Next.js, and Tailwind.css. I also have experience working with TypeScript, Redux, Recoil, and Firebase. I like to teach front-end development to others and support them to know how much it is enjoyable to write a code and get a result in front of your eyes

Education

2012 – 2018	**Bachelor of Electrical and Electronics Engineering,** *Al-Azhar University*	Egypt

Professional Experience

06/2021 – present	**Front End Developer,** *AKOIN, Remote* At Akoin, I work as a Front End Developer to develop the front end side of Crypto web apps	USA, Remote
11/2021 – present	**Front End Developer,** *Freelance* Starting from November 2021 till now I work on a long term real estate project in Saudi Arabia which handle creating contracts with the details between lessors and tenants	KSA, Remote

Projects in Production

MAD DAWGS

https://maddawgs-nft.vercel.app/ ⍈ This is the MAD DAWGS web app. we use next.js, Talwind.css, Recoil, and ethers.js to handle the front-end side of the project
